LB 466A

the checkoff proceeds. I urge the adoption of the motion to suspend the rules.

PRESIDENT: Very well, the motion is to suspend the rules for the purpose of reconsidering action on postponing LB 466A and is there further discussion on the matter? If not, we will really need 30 votes so, to suspend the rules. So all those in favor vote aye, opposed vote no. If we could encourage members to come back in here just for this vote without calling a Call of the House, it will be helpful. If members would please record your vote to assist Senator Labedz on this matter, it would be appreciated. Members, please record your vote on the motion to suspend the rules. Perhaps we can avoid a Call of the House if we ask members to come in and record their vote. We need three more members to record a vote for the suspension of the rules, if we could have your cooperation.

SENATOR LABEDZ: Probably have...we just need two.

PRESIDENT: Shake up two more votes somewhere, Senator.

SENATOR LABEDZ: I'm afraid I might have to ask for a Call of the House. Maybe some of them will come in.

PRESIDENT: A Call of the House has been requested. The question is, shall the House come under Call? All those in favor vote aye, opposed vote no. The Clerk will record.

CLERK: 8 ayes, 0 nays to go under Call, Mr. President.

PRESIDENT: Motion adopted. The House is under Call. All members of the Legislature report to the Legislative Chamber for the purpose of voting on a suspension of the rules. The House is under Call. Members are properly to be in their seats during the time the House is under Call, unauthorized personnel to be off the floor.

SENATOR LABEDZ: I will take call ins, sir.

PRESIDENT: Call ins will be accepted. The motion is to suspend the rules for the purpose of reconsidering LB 466A
